## The Commonwealth National Anthem.

**G**OD bless Australia's glorious land ;  
In honour's chain its rulers band,  
A nation's glory to command  
For the Commonwealth of Australia.

May loyalty, truth and unity  
Our never-changing watchword be.  
Raise high our flags o'er land and sea  
For the Commonwealth of Australia.

Let all our thoughts and actions be  
For progress to prosperity ;  
Then victory o'er land and sea  
Crown the Commonwealth of Australia.

Let one and all extend a hand  
To forge the links that form the band  
That unites all our combined lands  
In the Commonwealth of Australia.
