MUSIC BY GENGÉ WILSON.

Martial.

The piano introduction consists of two staves. The right hand features a series of eighth-note chords and triplets, while the left hand plays a steady eighth-note accompaniment. The music is in 2/4 time and begins with a forte (ff) dynamic.

Brave men of the day, bold war-ri-ors we, We'll lead our brave boys o'er the sea;

The first vocal line is written on a single staff. It begins with a treble clef and a key signature of one sharp (F#). The melody features several triplet markings over groups of eighth notes. The piano accompaniment continues below the vocal line.

We'll make a stand on sea and land, and show the Germans how we ex - pand; . . . His

The second vocal line continues the melody. It includes a double bar line and a repeat sign. The piano accompaniment features some chords with double lines, indicating a sustained or accented sound.

The third vocal line concludes the phrase. It features a final cadence with a whole note chord. The piano accompaniment ends with a series of chords.

Flag of Liberty.

Brave men of the day, bold warriors we,
We'll lead our brave boys on the sea,
We'll make a stand on sea and land
To show the Germans how we expand;
His Majesty's loyal subjects we,
We'll fight to win the victory,
We'll beat the Germans off the sea
For love of liberty, life and land.

CHORUS :

We'll raise our flag on house tops high,
To show that Britons will not die ;
We'll raise the flag that all may see
British pluck by land and sea.

Our navy boys bravely going forth,
To keep our land from German's wrath,
Australians, too, from far and near
Shall fight to keep that flag so dear ;
Comrades in need, Canadians we,
We'll help mother land in her need,
We'll work side by side to keep her free,
She shall not be ruled by Germany.

They think their numbers are bound to win,
But they surely know Britons never give in ;
We'll beat their army with all our might,
Their bravest leaders we'll put to flight ;
Altogether, boys, we'll raise our flag high,
The Germans shall never o'er us ride ;
For Good King George we'll win or die,
We'll capture the Kaiser or make him fly.
